RE: Financial Report for the Month ended September 30, 2017

The Benton County Auditor's Office has compiled the accompanying balance sheet and the related statements of income and expenditures.

A compilation is limited to presenting, in the form of financial statements, information that is the representation of management. Management has elected to omit substantially all of the disclosures required by Generally Accepted Accounting Principles (GAAP). If the omitted disclosures were included in the financial statements, they could influence a user's conclusions about the County's financial position. Accordingly, these financial statements are not designed for those who are not informed about such matters.

The financial summary for the month ended September 30, 2017, shows that revenues are at \$44,814,420 and expenditures are at \$50,155,710.

With respect to the biennium budget, 37.50% of the biennium is completed. Revenues are at 36.48% of budget and expenditures are at 38.17% of budget.

If you have any questions regarding any of the information provided, please contact me.
